OBJECTIVE

To glorify the Triune God through the means of proclaiming and exalting Him, edifying, and equipping the saints in the church and the academy, and calling the lost to repent and believe the Good News of Jesus Christ.

EXPERIENCE

Pastoral

Teaching Pastor, Fellowship Bible Church, Peoria, IL | 2012 Present

By God's grace we have seen FBC more than double in size in our time here. We have sought to move the focus from "Sunday only church" to a healthy understanding of Biblical ministry and discipleship. God graciously continues to bring this understanding to fruition.

Associate Pastor, New Community Church, Wildwood, MO | 2000 2012

I worked first as the director of student ministries for seven of my twelve years in serving NCC. I preached weekly, led four youth retreats per year, and three mission trips in my tenure as youth pastor. Subsequent to my student ministry days, I was an associate pastor, overseeing such areas as missions, counseling, benevolence, and general oversight of the church staff.

Pastor of Student Ministries, Grace Bible Church, Homosassa, FL | 1997 2000

I worked with students in Middle and High school, developing an independent program for each, focusing especially upon discipleship.
